

This form is for citizen participation in the 2020 to 2025 Consolidated Plan for the Six County Region covering Juab, Millard, Piute, Sanpete, Sevier and Wayne Counties in Utah. All answers are anonymous, but will be mentioned in the final report. For questions please contact Zach Leavitt, SCAOG Regional Planner: (435) 893-0737 or zleavitt@sixcounty.com, 250 N Main St. P.O. Box 820, Richfield, UT 84701. We want your input to be able to identify, prioritize and quantify the cost of infrastructure or facility needs in each jurisdiction. The purpose of the annual action plan is to identify possible HUD funded projects and activities that should take place in the immediate or near future.

**Which county and city/town do you reside?** \_\_\_\_\_

Please mark a check next to the **three** most important needs for your community based on your opinion.

- Low-moderate income housing availability
- Water infrastructure improvements
- Sewer/storm infrastructure improvements
- Public health/safety projects (EMS facility, ambulance, health clinic improvements)
- Other public facilities
- Street/sidewalk improvements
- Recreation facility improvements or additions (parks)
- Planning efforts (general plan etc.)
- Accessibility for persons with a disability in public areas
- Other: \_\_\_\_\_

**Is there any specific infrastructure, facility or other needs for your community? If so, please explain:**

**Do you have any other comments?**
